We would like to thank each and every one of you for your part in making our annual Christmas Food Box and Fruit Basket event a success again this year. Your contribution of food, and your work to put together these gifts for others, makes it possible for us to continue this project each year. Again thank you and may your Holiday Season be awesome!

Food Pantry group

PENCILS, PENCILS, PENCILS!!!!

Help out your school get needed supplies for classrooms or programs! We are selling pencils and mechanical pencils in the office. Students must bring their own quarters as the office will not be making change for students. Any questions or problems see Mrs. Rasmussen!

PENCILS = \$.25 and MECHANICAL PENCILS = \$.50

60 parents and children attended the Holiday Happenings event held at the Middle School on December 17th. The families played games and did crafts but the most important part of the event was a visit from **Mr. and Mrs. Santa Claus!!**

The H1N1 Clinic is scheduled for **Second Doses for K-5th graders** on Jan. 7. This is only for those who received their 1st shot during the clinic held at the elementary school on November 19th. You will not need to turn in a second permission slip, as the first ones you signed will cover the second shot as well. There will be an option this time for parents to request either the mist or injection.

There will be no Family Clinic.

**Please contact LLMP Public Health Services with any questions regarding the H1N1 shot or clinic.
(507) 537-6709
1-888-837-6713**

If you have any questions regarding the H1N1 vaccinations please visit the following website:
www.mdhflu.com.

Additional information is also available from the MN Department of Health.
