Snow Make Up Days
Thursday, April 1st
Monday, April 5th

 Wear **Red** on Thursday, February 25th
 in support of the
 Wear Red for Women Fundraiser

February is I Love to Read Month
 Friday 2/26 - PJ Day
 Tuesday 3/2 - Read Across America

Reminder – Students are not allowed to throw snowballs. This includes recess times and also before and after school while waiting for busses. Please talk to your children about this issue. Thanks!

A Message from Mr. Houck
 Plowed Roads Only

It has been since 1996 that we have had this amount of snow on the ground, and if you are like me it is getting tiring. Because the ditches are full, and the length of time it takes the snow plows to get around to all the families, we are going to start running on plowed roads only. Student safety has to come first! At RTR, we are very lucky to have bus drivers that look after every child, and parents that work with the bus drivers when the roads get difficult. I am asking that as we transition to plowed roads only, you talk with your bus driver to meet the bus if your road has not been plowed.

Let's hope that we will not have much more snow or wind for the rest of the winter, but we live in Minnesota and the wind will blow and it will snow. When things get difficult I am happy to say that the parents and students of RTR show their best!

Bruce Houck, Superintendent
 RTR Public Schools

Please talk to your child/children about the proper way to dispose of chewing gum. Used chewing gum should be placed in a small piece of paper and thrown in a wastebasket. Thank you for your assistance in this matter.

**"Be happy. It's one way of being wise."
