Snow Make Up Days

Thursday, April 1st

Monday, April 5th

Friday, June 4th

Tuesday 3/2 - Read Across America

On February 18th, the Science Museum of Minnesota was at the elementary school to do presentations for our students. The Kindergarteners, 1st graders, and 2nd graders attended a presentation on dinosaurs. The 3rd, 4th, and 5th graders attended a presentation on water.

What: RTR Elementary Spelling Bee
When: Wednesday, March 3 at 9:00 a.m.
Where: Elementary Gym

Please join us to cheer on the top spellers in the 3rd, 4th, and 5th grades.

See you at the Bee!

A Message from Mr. Houck Plowed Roads Only

It has been since 1996 that we have had this amount of snow on the ground, and if you are like me it is getting tiring. Because the ditches are full, and the length of time it takes the snow plows to get around to all the families, we are going to start running on plowed roads only. Student safety has to come first! At RTR, we are very lucky to have bus drivers that look after every child, and parents that work with the bus drivers when the roads get difficult. I am asking that as we transition to plowed roads only, you talk with your bus driver to meet the bus if your road has not been plowed.

Let's hope that we will not have much more snow or wind for the rest of the winter, but we live in Minnesota and the wind will blow and it will snow. When things get difficult I am happy to say that the parents and students of RTR show their best!

Bruce Houck, Superintendent
RTR Public Schools

Please return the I Love to Read calendars tracking your student's reading minutes for the month of February to school on Monday, March 1st. Prizes will be awarded to students based on the number of minutes they read.

“Success is simple. Do what's right, the right way, at the right time.”
Arnold H. Glasgow
