BUS SAFETY AND TRANSPORTATION

In Minnesota, riding a bus is a privilege and with that privilege, comes responsibility. The students who ride the bus must work to create and maintain a safe riding environment. To help ensure your child's safety we expect all of our students to abide by the bus rules. These are:

1. A student must remain seated at all times when the riding the school bus.
2. A student shall keep their head and hands inside the bus at all times.
3. A student will not eat or drink without the bus driver's permission on the school bus.
4. A student shall be courteous and exhibit good manners at all times.
5. Profanity will not be tolerated by any student on the bus.
6. A student will leave other student's belongings alone. This includes property of the bus company.
7. There will be no roughhousing, fighting, or violence of any kind on the bus.
8. The bus driver and/or the bus assistant are to be obeyed at all times.
9. The bus driver has the option of assigning seats if he/she feels it is necessary.
10. A student should use an appropriate "inside" conversation voice when talking on the bus.

The rules must be followed at all times but especially when we have weather which creates poor driving conditions. The bus drivers need to concentrate on driving and having to discipline students takes their concentration off the road. Please be sure to talk with your children about appropriate bus behavior.

****Remember, bus riding is a privilege not a requirement****
