A Message from Mr. Houck Plowed Roads Only

It has been since 1996 that we have had this amount of snow on the ground, and if you are like me it is getting tiring. Because the ditches are full, and the length of time it takes the snow plows to get around to all the families, we are going to start running on plowed roads only. Student safety has to come first! At RTR, we are very lucky to have bus drivers that look after every child, and parents that work with the bus drivers when the roads get difficult. I am asking that as we transition to plowed roads only, you talk with your bus driver to meet the bus if your road has not been plowed.

Let's hope that we will not have much more snow or wind for the rest of the winter, but we live in Minnesota and the wind will blow and it will snow. When things get difficult I am happy to say that the parents and students of RTR show their best!

Jump Rope for Heart was held on March 2nd. There were 36 participants from the 3rd, 4th, and 5th grades. The total dollar amount raised has not been finalized yet but it looks like they did a great job raising money for Jump Rope for Heart!

RTR Elementary held a spelling bee for the top spellers in 3rd, 4th, and 5th grades on March 3rd.

1st Place - Sydney Johansen

2nd Place - Adrian Escher

3rd Place - Lauren Johnson

4th Grade Top Speller - Garrett Kern

3rd Grade Top Speller - Lauren Alsaker

Family Lunch Accounts

Family lunch accounts should maintain a positive balance, per school board policy. If your family lunch account shows a negative balance, you must remit payment to bring the account current. Your family lunch account includes charges for your elementary student(s) for milk they have at snack time. If you have any questions on your family lunch account, including how to access the balance information from the school's website, please contact Monica.
