

Dear Parent ~

The Truth4Youth program will be visiting our school to promote healthy choices for healthy futures. This is an interactive, exciting program that encourages students to make positive decisions in their lives. Having presented in middle & high schools throughout the region of South Dakota, Minnesota & Iowa, Truth4Youth educators have experienced first-hand the joy of empowering students to make healthy decisions.

Information in a Truth4Youth presentation includes:

- **Strategies of positive decision-making**
- **Development of personal goals & self-esteem**
- **The influence of the media, alcohol and drug abuse**
- **Abstinence & healthy relationships**
- **How to choose the BEST future!**

If you have questions about this important program, please contact the school office or the Truth4Youth office directly at 605.275.6291 or programs@truth4youth.com. Please feel free to visit their website www.truth4youth.com. Thank you for partnering with Truth4Youth as you encourage your children to make great choices!
