RE: RTR Preschool Program 2018-2019

RTR Preschool Program: The RTR preschool program is for children who are 3, 4, or 5 years old. The Minnesota Department of Education and the RTR School District recognize the challenge of transitioning from Early Childhood into Kindergarten and support the preschool program as a way to assure future learning success for children and their families.

The preschool curriculum centers around gross motor, fine motor, language development, cognitive skills, math and reading readiness, free play, and creativity. It is a day of fun and learning for the children.

Three year old Program: Three year old programs are offered in Russell and Ruthton. The Russell program will meet twice a week, all day, on Tuesday and Thursday. The Ruthton program will meet once a week, all day, on Wednesday.

Four year old Program: Four year old programs are offered in Russell and Ruthton. Each site will offer a 3-day per week session that will meet on Monday, Wednesday & Friday. The Ruthton site will also offer a 2-day per week session that will meet on Tuesday and Thursday.

The preschool programs begin classes in September and run through the end of school in May (9 month program). Bus transportation is provided by the RTR Bus Service.

Age Requirement: To attend the three year old class, your child must be three years of age by September 1, 2018. To attend the four year old class, your child must be four years of age by September 1, 2018.

Tuition: The four year old preschool tuition is based on a sliding fee scale. Families are encouraged to fill out the Federal School Lunch Free & Reduced form and this determines if you will be paying the full fee, reduced fee or the base fee. Parents only need to complete one form per family and this information will be forwarded to the District Lunch Supervisor.

The three year old program is a school district sponsored program so there is no sliding fee scale.

RTR Schools offers a 10% tuition discount if you pay your child's tuition for the entire year prior to July 1, 2018.

Each family is required to pay a \$100 deposit per student at the time of registration (unless the entire year's tuition is paid at the time of registration). This deposit will hold your child's place in the class, and will be put towards your last month's tuition. If you do not send a deposit with your registration, we are unable to hold your child's place in the class.

Registrations are taken on a first-come first-serve basis, as class sizes are very limited. If you would like to enroll your child in the preschool program, please complete the attached registration form and return it with the \$100 deposit or with your child's entire tuition fee (as noted on the enclosed tuition page) to:
