

RTR Middle School Food Drive

February 25 – March 8, 2019

RTR Middle School will be doing a service project together. FCCLA, Student Council and Civics class are partnering to implement this project. We are running a food and hygiene drive! Each TA will be competing to see who gets the most points. The TA with the most points at the end of the drive gets a pizza party. With the hygiene items, we will be creating a hygiene closet where middle school students can get items they may be in need of.

Bring Non-Perishable food and hygiene item donations.

Please give whatever you can share. Bring them to school by Friday, March 8.

Items of Greatest Need & Their Point Values

Boxed items – 25 points (cereal, mac and cheese, Hamburger helper)

Other – 20 points (toilet paper, paper towels)

Shampoo and Conditioner – 25 points

Body wash – 25 points

Deodorant – 25 points

Feminine items – 25 points

Shaving Products – 20 points

Monetary Donations – 10 cents = 1 point

The Tyler Area Food Shelf can only accept non-perishable, properly sealed packages and items that are not out of date. All items collected from the Food Drive at RTRMS are donated to the Tyler Area Food Shelf that supports the communities of Russell, Tyler and Ruthton.
