September 18, 2020

RTR Parents:

The RTR ISD #2902 has been notified that someone within the district has tested positive for COVID-19. We are working with the Minnesota Department of Health (MDH) and County Public Health for guidance as well as following the COVID-19 Decision Tree provided by MDH. If you or your child is considered a close contact, you will be contacted individually by the school and MDH to provide information and answer any questions you may have.

If you are not contacted during this contact tracing period, your child is not considered a close contact and therefore are not at any greater risk of contracting COVID-19 than you would be from being out in the community. The individual has not been in the district this week.

Sincerely,

David A. Marlette

RTR Superintendent
