Good Afternoon, RTR Parents!

The RTR ISD #2902 had been notified that someone within the district has tested positive for COVID-19. We are working with the Minnesota Department of Health (MDH) and County Public Health for guidance as well as following the COVID-19 Decision Tree provided by MDH. If you or your child is considered a close contact, you will be contacted individually by the school and/or MDH. If you are not contacted during this contact tracing period, your child is not considered a close contact and therefore are not at any greater risk of COVID-19.

For your information, there will be another community-wide COVID-19 testing event on October 27, 2020, from 12:00-6:00 p.m., located at the Rock Christian Youth Center in Tyler, MN. Testing is free and open to all, with or without symptoms. To avoid long lines, community members are encouraged to pre-register for a time slot. Please visit <https://www.primarybio.com/r/tyler?locale=en> for more information and to sign up for an appointment. For those people who are unable to sign up online, please call **1-855-612-0677** to register.

The RTR School Board has approved moving our MS/HS Hybrid Learning Model from our current 50%/50% format to a 67%/33% Learning Plan starting on November, 3, 2020. This is the start of our second quarter. This plan will bring our MS/HS students into school (3-4) times each week. Please find **attached** a copy of the new learning plan for MS/HS. All MS/HS students/parents will be notified of which group they will be assigned under this plan.

Our RTR Elementary School will stay in the same in-person format, with no changes at this time. School starting times will stay the same.

Sincerely,

David A. Marlette

RTR Superintendent
