November 2, 2020

Dear Parents, Students and Staff of RTR Elementary School.

We have been notified of a lab confirmed case of COVID-19 that impacts our preschool classes. Due to this information, some of our preschool classes will start remote learning on Tuesday, November 3, 2020 through Friday, November 13. These classes will be able to resume in-person learning again on Monday, November 16, 2020. You will be notified if this learning change impacts you and your family.

This decision was made in collaboration with MN Department of Health and our RTR District COVID-19 team. Students in Kindergarten - 5th grade will continue to do in-person learning under our current hybrid guidelines. If you or your child is considered a close contact, you will be contacted individually by the school and/or MDH.

During this time of remote learning, lunches will still be available for our preschool students. Parents must notify the school in advance and pick up these lunches in Ruthton by 11:00 a.m. Please call the elementary school by 8:30 a.m. to request a lunch.

Please contact the school at 507-658-3301 if you have any further questions.

Cristy Olsen

RTR Elementary Principal
