Finale Event: We really want to continue the tradition of going to Camden State Park on the final day of camp. We will have more information for this to come, but we will spend Friday, June 25th at Camden State Park. Staff and Students will be asked to have masks for when

distancing isn't appropriate/accomplishable, and social distancing will be required. We are aware we will be outdoors, but we still want everyone to have fun while being safe. Participants are asked to pack their own lunches. There is not a microwave or refrigerator available. Also, students will need to bring their own, and be responsible for: sunglasses, hats, water bottles, sunscreen, and bug spray. Students will be picked up at the high school in Tyler, and will be bused to Camden. Following our trip, we will bus students back to the high school. The bus will leave the high school at 9 am, and will return to the high school at 2 pm.
